# Spring 1934 Price List of Gladiolus Bulbs

## C. H. SOMMER'S GLADIOLUS GARDENS

### Rush City, Minnesota

We are pleased to offer here our very complete list of Sommer's Super Gladiolus grown in the ideal climatic region of Eastern Minnesota.

Our list contains the best standard varieties and new creations of this country as well as those of the foreign lands. Each year we add to our list of the new, good Glads.

**SIZES:** Large bulbs average  $1\frac{1}{4}$  inches and over. Medium bulbs run from  $\frac{3}{4}$  to an inch, averaging about an inch in size. Small bulbs run about  $\frac{1}{2}$  inch.

5 Bulbs at 10 rate—25 at 100 rate

Bulblets are sold in 15c and 25c packages.

All orders of \$1.00 and over are prepaid. Not less than 10c is sold of any one variety.

**EXTRAS on CASH orders:** On cash orders of \$2.00 to \$5.00 you can select 10 per cent extra in bulbs; from \$5.00 to \$25.00, you can select 15 per cent extra in bulbs, over \$25.00, 20 per cent in bulbs. All stock offered is subject to prior sale or loss by destruction. Worth while extras are given with each order.

Our planting stock is grown on new ground. The bulbs we offer are true to name and free from disease. If you desire quality bulbs that will produce flowers that you will enjoy, you will make no mistake in trying "SOMMER'S GLADS".

Bulbs are shipped in the spring unless otherwise instructed. To be sure to get varieties you desire, we would advise you to place your order early. We send out only good, clean bulbs. If not satisfied with the shipment, return at our expense, and your money will be refunded.

**DELPHINIUMS:** We are growing the famous Wrexham and Vanderbilt strains. Seeds: 25c a package. Four (4) one year old plants—prepaid \$1.00.

**JOIN THE MINNESOTA STATE GLADIOLUS SOCIETY** at \$2.00 a year. This includes the American Gladiolus Monthly bulletin and the Minnesota Horticulturalist. With every new membership mailed through us, we will donate \$1.00 worth of Gladiolus bulbs of your selection.

Visitors are welcome to visit our gardens. Besides the varieties listed, we have other new creations growing which will be offered next season. We are sure that our flower-loving friends will enjoy seeing the new and unusual things in Glads.
